WE NEED YOUR INPUT

The Friends of the Rossland Range are thinking of applying for official recognition of the important high country (the Old Glory Alpine and Nancy Greene Pass areas) as a Designated Recreation Area under the mandate of the Ministry of Forests, similar to the designations managed by the Castlegar Nordics at the Paulson Summit, and by the Kootenay Mountaineering Club in the Bonnington Range.

We need your help in deciding how to deal with a number of issues that have emerged in the Rossland Range over the past few years.

Please complete and return the questionnaire found here: [FORR Goals: and the Project, Process and Issues](#) to share your thoughts with the FORR Board. The background of this project, FORR goals and the proposed process for the future are incorporated into this short document and questionnaire designed to get your input on the below issues identified to this point in time:

**SIZE AND SCOPE OF A DESIGNATED RECREATION AREA
BALANCING USE AND PROTECTION
RECOGNIZING ECONOMIC VALUES**

**ACCESS: PARKING
ACCESS: GLADING AND BRUSHING
THE NANCY GREENE PASS DAY USE SHELTERS
COMMUNITY WATERSHEDS
RESOLVING POTENTIAL CONFLICTS BETWEEN RECREATIONAL USERS
OTHER ISSUES**

Please complete and return the questionnaire to FORR, PO Box 701, Rossland, BC V0G 1Y0

Thank you, in advance, for your participation!
