#### I) Igloo Cabin Completion

- Rob explained the need to finish and tidy up the cabin this summer and that FORRS will take the lead on this.
- Pete Kintoff reviewed what is need to finish the cabin and he is prepared to spend some time in the next few weeks dealing with - trim of the windows, slippery floor - temperature dependent, building of benches, bring out materials.
- The outhouse is in need of work and will be dealt with in the summer
- If any supplies / materials are required prior approval must be obtained
- Pete asked for volunteers to help please contact Pete if able
- Pete and Rob will keep in touch re Pete's progress .
- Once the snow has melted, an assessment will be completed and a plan for completion will be created

### J) Old Growth Creek Crossing

1,500

- this would allow a safer summer crossing
- Discussion re: do we need another crossing ? Winter crossing is fine as is
- the crossing would need to be engineered due to the environmental impact
- Preliminary assessment cost approx 1,500 \$
- Agreed that further discussion is needed to determine if this is necessary

# K) RedDog woodshed relocation

- need to move due to proximity to falling snow

500

# 5) Liability & Insurance

- in progress
- seeking further information at this time

# 6)Miscellaneous

- a) Bench / table at Eagle's Nest / Chimo
  - -Agreed that a bench would be sufficient. Cost to be obtained

??

- b) Blocking of Public access to Eagle's Nest / Chimo
- Agreed that some form of gate / chain is necessary
- Rob to look into options
- c) Plane Crash Site
- Archeology Branch has registered site. Site Alteration Permit to be applied for
- Concerned raised about the maintenance of the trail to the site.

  Agreed that we should maintain the trail look at way to do so KCTS?
- d) Charitable Status accepted by CRA
- e) Archiving Project in progress by Roma
- f) Cookie Signs in progress by Larry
- g) Explore Outdoor Rec Council Membership
- Discussion re : benifits
- require further information
- h) plowing this season 11 times
